

**CITY OF BREWER
ENGINEERING DEPARTMENT**

2010 STREET WORK NOTIFICATION

January 12, 2010

The City of Brewer and the Maine Department of Transportation have plans to complete a number of street reconstruction and resurfacing projects this year on various State and State-aid roads. Once these projects are completed, the MDOT mandates a three-year moratorium period during which no street opening permits can be issued except for emergency situations. All property owners, contractors and Utilities are encouraged to complete any planned work in the areas listed below before June 30, 2010.

1. State Street between Eastern Avenue and Wilson Street.
2. Pierce Road from Eastern Avenue to the entrance to Downeast Toyota.
3. Wilson Street from Dairy Queen to the entrance to Downeast Toyota.
4. North Main Street from State Street to Wilson Street.
5. All of Betton Street.
6. Penobscot Street from Betton Street to Center Street.
7. Center Street from Penobscot Street to North Main Street.

If you have any questions regarding the scope of work for any of these projects please feel free to contact Frank Higgins, Brewer City Engineer, at 989-7800. Thank you for your cooperation in helping us to protect our investments in these public ways.
